September 1, 2009

Dear Club Member,

As the end of the 2009 shooting year fast approaches, it is once again time for the membership to elect those who will guide The Palatka Skeet Club in the coming year. Our annual elections will be held on Monday, October 5, 2009 in the clubhouse at 7:00 pm.

This year has once again been an excellent year from the standpoint of club operations and major capital improvements. In spite of financial pressures from operational, postal and utility increases we have been able to operate and improve the club without any increase in the price of shooting. Your Directors have also made a decision to maintain our present dues structure for 2010.

We have totally remodeled and expanded our club kitchen, and your officers also negotiated and finalized a twenty-year extension to our lease with the City of Palatka that will ensure continued operation of our club at our present location.

Additionally, the National Skeet Shooting Association (NSSA) selected us for the third consecutive year, and the fifth time in the past six years the award has been in existence, as Intermediate Club of the Year. The poor economy has significantly reduced shooting; however, we must have your continued support and patronage since target volume and the volunteer nature of our club are the only things that prevent us from having to substantially raise the cost of dues or shooting.

As a member you have several benefits not available to the general public, such as the ability to purchase components and ammunition at dealer prices, and the use of the clubhouse for private social events. We have a 52-site RV camping area available for you and your guests use at a price that merely covers the cost of utilities, and we also have a fenced area for RV and trailer storage.

Enclosed you will find an invitation and return form to attend our annual Membership Appreciation Day to be held on September 26th. You will also find your annual Membership Renewal Form, which must be returned by November 1st, if you are to remain a member in good standing. Even if you are a "Life Member", please fill out the form in its entirety since we use this information for a variety of uses, the most important being to keep you updated and informed throughout the shooting year. *Why wait and possibly miss the deadline - - - fill it out and mail it with your check today!*

Visit your website at: www.palatkaskeet.com for all the latest club news and show your continued support by renewing your membership and attending the general membership and election meeting. Hope to see you and your family at our annual Membership Appreciation Day.

Yours in shooting,

David (Robby) K. Robson, Jr.
Secretary/Treasurer
